

Name:

One-Pager Organizer

Fill each box below with the required components for the one-pager. Then, cut, these boxes out and paste them on white, unlined 11"x17" paper. (Don't include the grey portions.) Remember that you should use color to enhance the audience's understanding of the information! The placement of each box should also contribute to the audience's understanding - choose carefully where you want each component to go.
