

## POWERFUL GEOGRAPHY LOGIC MODEL

### Who Are Our Students?

Collect student aspirations and attitudes data in school districts in different states.

### Why Do We Teach Geography?

Interview employers and professionals who use geography in careers that interest students.

### What, How and When Should We Teach?

Design and develop state-based Powerful Geography curriculum resources that expose students early and consistently to the uses of geography in their states and communities that will foster student aspirations and showcase the relevancy of geography.
